Only restriction in effect is that imposed by Para. T:, ETOUSA Cir. 10, 1945, which provides that an appointee will not be eligible for rotation for one year from date of appointment for other than health reasons. Restriction does not apply to United States under temporary duty plan or redeployment regulations. It is desired that it be brought to attention of all concerned as rapidly as possible that rumors now circulating regarding additional service for newly appointed 2nd Lieutenants are not true.
