Yvonne Chrapaty, wife

Sir:

I have about dozen pictures taken in Shawleigh Air Base, however I am afraid to mail them, for fear of being lost in mail. I treasure them.

I arrived in Shawleigh Sept 6, 1942 and left Nov 27 1945.

My duties were Administration NCO under Capt Wm Walton, we were the first to organize this office, We both later started the first PX in Shawleigh. Capt Walton was discharged 1943. Was replaced by Capt S Ramsay. We had 4 enlisted men and 3 civilian employees at that time. I enjoyed my stay in Shawleigh in spite of all the hard work involved
over

I remember our first trip
to London Quatermaster to pick
up our first supply of merchandise
for our PX. After the civilian
personnel loading our trucks, they
disappeared about 10 AM. I asked
the captain why they all stopped
loading our trucks. I was
informed it was tea time. My
first experience with tea time.

I enjoy receiving the 366th
Echoes. Keep up the good work
if I can be of some help
some time, you may call upon me.

P.S I am looking
for Lewis Cohen
who was myasst.
in the PX.

Yours truly,
Ormond H. Krapetz

My wife passed away July 20 1994
