306 Bomb Group

TO WHOM IT CONCERNS:

It was with great pleasure that my brother called me from Friona, Texas, to inform me of your ad placed in the local paper. I have tried unsuccessfully to locate some of my old buddies in the above group so am very excited about what information you desire.

Please feel free to contact me on any matters or information you so desire. My telephone number is 602-985-0653 for residence and my office is 964-1733 with the same area code. Any information you have would be greatly appreciated by me and would remit any money you incur in expense mailing the information.

Again, thank you for your time and consideration of me.

Sincerely,

James Ray Coleman
