Dear Mr. Strong,

This is to notify you that my husband, HERMAN COTHRAN, died
this past December 16, 1987.

Herman was a Master Sergeant, and Crew Chief in the 423rd.
I'm not sure the exact dates he was stationed with the group
in England, but I heard him many times mention that he spent
3 6 months over there. He was inducted into the service in
December 1941, probably finished his training and went over
in 1942 until November 1945 when he was discharged.

He was indeed a proud veteran and spent many hours with his
family and friends recounting his experiences and most import-
ant his close association with others in his group.

He looked forward and enjoyed receiving the ECHOES each time.
Thank you.

Very truly yours,

Stella Cotheran
