

Dear Sir:

I read about the convention site for 1988 as being Las Vegas Nev. The reason for this letter is to inform the Co Chairman that I may have some info for them about a hotel we may like to contact for our convention next year. I will be going to Las Vegas in October to a Bowling tournament and will contact owner. would like to know how many attended this years attendance so I could give the owner of the hotel some kind of an estimate that would be coming

Dear Charles:

We appreciate very much your interest in the 306th and your willingness to do some work for us.

But, one of the reasons we are going to Las Vegas is that we have two co-chairmen there who have tremendous backgrounds in the travel, accommodations and entertainment businesses.

Therefore, they have been hard at work, and have already contracted with the Hacienda Resort Hotel and Casino. Because of their unique backgrounds they have been able to drive a good bargain for those who will be attending the reunion.

Detailed announcements about the event will be made at the Washington reunion and in the October issue of Echoes. I am sure that you will find the rate structure very interesting.

For the Washington reunion we are now anticipating well in excess of 700 people attending, which will make it the largest 306th gathering by far since the end of WWII.

Look forward to seeing you in Las Vegas in '88.

Thanks again for your offer.

Sincerely yours,
