Dear Casey.

Enclosed is a check for \$25<sup>00</sup> - In the 306 Echoes & also the 1992 Directory. I enjoy each issue of the Echoes, and look forward to receive the paper. The staff does an excellent job and are to be congratulated!!

We were on a tour of Switzerland & the Rhine in May of this year, and then went to London for six days. Took the train to Cambridge & Duxford, and also Bedford. Had a great trip

Only one problem the pictures I took of the Memorial at the base & of Bedford did not develop. If you have a picture of the Memorial, would appreciate if you could mail me a copy. Thanks for a job well done -

Best Wishes

Dear Robert.

Enclosed is a small donation for the 306<sup>th</sup> Dunitory & Eskos.

What a great reunion @ Las Vegas. The best part was to see our pilot Joe Clark and our "Spare Part" crew. (8 of us) all together again after 52 years.

Once again a great job well done. My thanks to Russ Strong & everyone who make it all possible, and give their time & effort.

Yours Truly
