Hi Dale,

I received my copy of the 306th news today, forwarded from our home in Salt Lake City. Unfortunately, few have been forwarded and I have missed much.

I was bombardier on Harlan Laughlin's crew and served with the 369th.

Thank you for the news, it is excellent. Enclosed is \$25.00, my contribution to the 1988 effort.

Will you please change my mailing address as noted below. Thank you.

Sincerely,

Blain S Gailey
