Sir:

I received the January issue of the 306th Echoes newsletter last week. I was thrilled to see a picture of the crew members of my late husband's crew. He was Maj. Ivan E. Slaze (D) 368th I have been waiting to see his crew ^{picture} since that I received the newsletter. However, he is listed as "unknown" in the picture. He probably just joined the crew. This picture is on page 6, second on the right side of the page. W. Dale Reed was his pilot.

I would like to know who sent in the picture and would it be possible for me to have a copy of the original. I will pay for it of course. He was the navigator on the crew.

I shall await hearing from you.

Thanks,

Igoria M. Slaze
