Dear Alberta:

Please let me extend my personal condolences and those of the 306th Bomb Group Association membership to you and your family on the recent death of Bob. He will be missed by those who knew him during his service with the 306th.

I have changed our mailing list to reflect your name, but if you do not wish to receive 306th Echoes, please let me know on the enclosed card and I will remove your name from the list.

You will receive the January issue of Echoes addressed to Bob as I was unable to change the mailing list in time.

If you do remain on the mailing list, and at some time in the future feel that you would like to participate in any of the activities of the 306th, know that you will be most welcome and that you will not be alone, for there are a number of widows who regularly attend our reunions. At this time we are planning a 50th anniversary trip to England in 1992.

Sincerely yours,

Russell A. Strong
