Dear Hugh,

I flew with the 358th Sq (HELL'S ANGELS), 303RD Δ B.G. (H) in 1943. Later, I flew with the 367TH Sq (CLAYPIEDON AIRFORCE) 306TH B.G. (H) in 1945. Of all places I could have been shipped to, I wound up ~~at~~ at Thurlleigh - about 12 miles from the old 303RD Base at Moleworth.

In a recent issue of the D.A.V. magazine I noted both my WWII combat outfits are having a reunion in September. I've never been to a reunion - never had the info before, so I'd like more information about it.

Please send info to:

I hope I can come. Thanks.

Dick Grimm

P.S. I just realized - after looking at the above date - today - 46 years ago - I "qualified" for my Purple Heart over Hamburg! Small coincidence??
