Dear Mr. Collins:

Have another name for the "Newly-
Found" column: FRANK G. WHITNEY, ~~50~~

ADD: 515 WHITE OAK DR., SEVERNA PARK
MARYLAND, 21146. Frank was a radio operator
in the 367th.

I started a little over a year ago to try to find
the members of my original crew. Had no idea
if they were alive or dead, had no idea we could
find all of them. Whitney turned up yesterday!!

PAUL MARTIN — PILOT
BURNS ROOPER — CO. PILOT
ANDREW STEFANO — BOMBARDIER
ARTHUR TRIMBLE — NAVIGATOR
FREELING HANEY — ENG. — (K.I.A.)
FRANK WHITNEY — RADIO OP.
ROBERT ~~SNOW~~ SNOW — BALL
GEORGE BACHMANN — WAIST
HENRY NUNNERY — WAIST
JOHN HALL — TAIL

~~They are~~ Have not seen any of them
since 1944-1945. Kind of amazing that all 9
of us are alive!
Here is \$5⁰⁰ to start Whitney's "Echoes." Thanks.

Sincerely, John Hall

Dear Russell:

Paul Martin asked me to send you a negative of "Rose of York"; Our good negative seems to have gone the way of all "good" negatives, but I have found these. Perhaps one of them will suffice.

Sincerely,

John Hall

Dear John 1986

Dear John:

Many thanks for the loan of the negatives of the Rose of York.

I turned it over to a lab and they produced a beautiful 11x14 print for me for \$10. Now I only have to get it framed for my study, along with several other color prints of painting and I will have a nice collection of 306th planes.

I am hoping sometime in 1987 to produce a portfolio of such prints for 306th members, along with a paragraph about each plane. I think such a production would be extremely popular with the men.

All the best to you,

Russell A. Strong
