Dear Russ

Here is one of your lost souls.
Erskine G. "Erik" Arbeiter, 1902 NW 23rd St,
Corvallis OR 97330 - 503/752-3028

After reading his article (and send) I
called to see if he was in touch with
his outfit. He wasn't so gave him your
address. He was in 306th 9/44 - 4/45

I believe the mission he describes
was 3 Feb 45.

I headed up AFROTC at Oregon State
from 1968-72. Erik's son Randy was one
of our cadets who I commissioned 6/71.
Erik says Randy is now a Lt. Col.

Any time you or your own selves
please head 'em our way.

Always enjoy your paper, certainly one
of the very best. Regards.

Dear Frank:

Thanks for the clipping on Arbeiter. I will send him our new member packet, a directory and the latest copy of the newspaper, along with a letter about our organization.

He became #2287 on my computer list. We continue to grow steadily and each quarter gain more names than we lose. I wonder when the turn around will come.

I keep close track of the local paper on anything aviation, and especially any obituaries. Since I've been back here I've sent three obits along to bomb groups. The first was for a man from the 95th Group.

We leave Sunday for our reunion in Little Rock. We'll have a smaller crowd than last year in Las Vegas, but a much better hotel.

In 1990 we go to San Antonio, 1991 to Pittsburgh, and 1992 in England.

Good to hear from you,
