I would appreciate confirmation that he was in The 368th Squadron and would like a copy of the diary when it is available.

Dear Sarah:

I was much saddened by your note received yesterday, and wish to extend my personal condolences and those of the 306th organization to you and your family.

Perhaps by the time you receive this we will already have talked, as I left a message on your recorder this morning. I do need the date of Jim's death for use in Echoes. I have enclosed a postcard for your use, if you have not gotten back to me by the time you receive this.

I am also including a copy of the 23 Apr 43 orders assigning Jim and his crew to the 368th Squadron, as well as a page out of the new diary noting this fact, as well.

I am also changing my mailing record to your name so that you will continue to receive Echoes.

Sincerely yours,

1-20-91

Dear Dale,

I've been traveling all over the country for the last three years and arrived back in Austin, Tx to stay for a while and discovered I had missed a 306 BGA convention in San Antonio.

Please enroll me again and put me on the mailing list. Where is the 91 convention to be + when?

Sincerely,
James T. Harrison
