Dear Bill,

I was assigned to the
367 as a Copilot on Route
Ashley's Crew. Bob went
down on his first mission
and his crew including me
went to the rescue of Capt
(Messenin) took over
the crew

I was assigned over
the 31 mission
I was assigned to B-17's
fighter school at Dale
Mabry field Fla. Along
with several hundred other
fighter pilots. We were
sent by mistake but it wasn't
corrected and we all had to
serve as Co pilots on B-17
Crews. At least most of
them. Some
