Dear Russell:

Many thanks for the information about my brother Alex.

In the fifty plus years since our involvement in the War, I never had any knowledge of a source of information. As I said, I would like to get a little background data for his children and grandchildren.

As I told you he had three children, all girls and six grandchildren, five living. If you should want any more information, please let me know.

Sincerely,

A handwritten signature in cursive script, appearing to read "Bill", written in dark ink.
