Dear John:

I certainly am glad someone has a memory in this outfit! I got quite a stack of misinformation from various sources, and am glad you could pick up all of those no one else seemed to know. I had gotten down to four unknown persons

I was a little puzzled, however, about the last line: "1944 book listing of all officers in the 8th AF". I'm not aware of any such publication. Can you enlighten me further?

Thanks,

Dear Russell:

The 306th ECHOES - OCT 88 - VOL 13, NO. 4 - page 3
covering NAVIGATORS - 306th Bomb Group and continued
on page 6 & 7 with the listing for the 423rd
Squadron of NAVIGATORS is in error.

I'm enclosing the one Special Order I
had saved for names & members of my ^{Combat} Crew.
We had two B-17's. The first was V-MAIL
(Get there fastest), which finally succumbed
to flak holes and anti-aircraft damage.

Our second ship was "LITTLE LULU"
which made it through to retirement, I
believe!

Under the 423rd Bomb Sq (H) - 306 Bomb Gp (H)
there are 2 Crews listed. The one starting
with ^{LT.} HAROLD R. FOSSUM 0-750968 and reading across
to LT. CHARLES E. JORDON, JR. 0-699181 and then down
is the entire crew of ten men ending with
SGT. Joseph C. Schember 35605782 & SGT. Herman T. TORRANO,
JR. 19140956.

(OVER)

I've managed to find and keep contact with 4 members of the crew. as follows:

- 2nd Lt. Charles E. JORDON, JR. (NAVIGATOR) 0-699181
732 Sun 'N LAKE BLVD. - LAKE PLACID, FL 33852

* note: my name was listed as NAVIGATOR. (ERROR)

I was the BOMBARDIER.

- S/SGT Kenneth E. Sutton 14161951 (Radio Operator)
1003 YOUNG AVE. - MARYVILLE, TN 37801
- SGT. Herman J. TORRANO, JR. 19140952 (BALL TURRET GUNNER)
7925-A N. ORACLE, #233 - TUCSON, AZ 85704-6316
- F/O JOHN M. LOCKARD T-61543 (CO-PILOT)
Rte 1, Box 543, MT. JOY, PA 17552

The PILOT HAROLD R. FOSSUM, 0-750968; I believe died in a ^{MILITARY} flight from CALIFORNIA to HAWAII, which went down in the Pacific 1945.

S/SGT HAL F. Chase was the flight engineer & top forward ^{gun} gunner; Knight & Schember were waist gunners and I believe MERTON was the tailgunner.

Sincerely,
John Horkulic

Torrano moved last Nov. 89 to the new
address. I recently heard from him since
I could not reach him at the old address. He
stated he had not received the 306th ECHOES for
1990. I guess the POST OFFICE does not forward

(OVER)

3rd class mail, and he was hoping he
could find a copy or copies of old news-
papers & other info to contact you on his
move. This change will surprise
him and perhaps you can forward 1990
copies available to the new address
and make the change to the next
directory or wherever. Thank you.

Dear Mr. STRONG:

I believe late last year I mailed photos & negatives I had made of two (2) B-17's namely "V-MAIL" - GETS THERE FASTEST and the second B-17 was "LITTLE LULU". Also, including ^{GROUND} pictures of the crew & flight crew.

The JAN '91 VOL 16, NO 1 issue page 9 had a photo of LITTLE LULU with 2 men from the ground crew, and was not the photos I had mailed to you. I'm hoping my photos & negatives were not lost in the mails. I made no note of the mailing date and hope you received my package. I also noticed a photo of V-MAIL in the same issue as above with Joseph TERRANA - Crew Chief of Ground Crew.

Note: Photos I mailed included pictures of entire ground crew & others with flight crew.

I believe I also enclosed a photo of Dingleberry Hall and residents in front

(OVER)

of the building. Please let me know if you received my letter along with the photos & negatives.

I'll repeat the CREW LIST for both the B-17's V-MAIL & LITTLE LULU. I can't recall the reason for losing V-MAIL. I believe, it was due to structural damage from FLAK & in may have gone in for major repairs

CREW LIST for the entire crew and DFC B-17's

If memory serves me - the FOSSUM crew was the first crew to complete its tour from Dingleberry Hall - which at the time we moved - in the Hall/Barracks was considered to be JINXED with no prior crews surviving through a complete tour.

Dear Dr. Williams,

First, thank you for the stirring tribute to the then young men who flew + fought for freedom during WWII appearing in the July 08 issue of 306th Echoes!

I know you and your staff of interns are working hard to save for history records of the 306th BG. I have my late husband's printed orders for all of his missions with the group during 1944 plus other "historical" bits and pieces. If you feel these records could assist you in your work I would be happy to mail them to you. I fear, upon my demise, they would land in a recycle bin.

I would be happy to hear from you.

Sincerely,
Mary Horbulec
