Dear Albert:

In response to your inquiry received today, your two friends, Fiore and Fontanazza, are both on t-he mailing list already. In fact, one of them may have given me your current address.

You ask for an address of Captain Wilson of the 423rd.

I am assuming that this is J. W. Wilson, who was the first commanding officer of the squadron. If so, he is now

Lt Gen J. W. Wilson
1718 Sandpiper
Palm Desert, CA 92260

Gen. Wilson retired as inspector general of the Strategic Air Command.

Sincerely yours,

Russell A. Strong
