**Subject:** Materials for sale

Dear Mr. Strong,

My father-in-law, Edward Lindsay, was in the 306 bomber group from Sept. 9, 1944 to Feb. 20, 1945. Since his father is no longer alive, my husband would love to have some information on his Dad. When we went to the 8th Army museum in Savannah, GA, we saw some soft bound books (in the archives) with the missions listed in them. I see that you have some materials for sale. Would any of them apply to this? I would love to present them to my husband for Christmas. If so, what would I order, and what would the price be? I have been trying to get an out-of-print copy of "First Over Germany" but have met with no success.

I appreciate any help you can give me.

Sincerely,

Marlene Lindsay [MLindsay37@aol.com](mailto:MLindsay37@aol.com)

Dear Mr. Strong,

Thank you so much for the speedy reply to my request. I'd be happy to supply whatever information I can. My father-in-law, Edward J. Lindsay, was in the 423 squadron and 306 bomb group. His plane was the Dingleberry Kids and he was a pilot.

He lived his entire life in Buffalo, NY and Orchard Park (a suburb of Buffalo) He died in May, 1983 of cancer. His widow is Eileen Lindsay. They had two children, and two grandchildren. After graduating from South Park High School he attended Syracuse University for one year. He spend most of his adult life working at Carton Craft as an estimator. I'm pretty sure we have a picture of his crew. When I locate it, I'll make a copy and send it to you. I'm so glad you have that material for sale. You men are so hard to buy presents for! Again, thank you for your time.
