Dear Bill,

I located another member of the 306th yesterday. He is about to retire from his jewelery business. He was a tail gunner with the 368th Sq and was seriously wounded by flak during a Bremen raid, I believe Dec. 20, 1943, which was my first with the 367th. He lost an eye and the VA is still picking out flak, some of which cannot be removed because of the location.

ADD: His name is Harold Klick, living at 501 Howell Ct., Riverhead, NY 11901. Please put him on the mailing list for the "Echoes" and please include the October '85 issue. I am enclosing a check for \$10.00 to help publication. 367

Harold has never made a reunion. I told him how much I enjoyed my first in Colorado Springs. I am sending him some pictures I took of the dedication ceremonies and the October "Echoes" will fill him in. Incidentally, he married an English nurse he met at the hospital where he was on the mend somewhere up north in England.

Thank you for your courtesy.

Sincerely,

Arthur W. Mack  
367th Pilot

Dear Russ,

Thank you for the July copy of "Echoes" I hope I haven't missed any others. As I failed to contribute to the Echoes Fund after the Banquet I am sending a check for \$20.00 to help the cost of printing and mailing.

After arriving back home after the reunion I discovered that I do not have a copy of your book "First Over Germany". I would like to order one and enclose another check for \$20.00 for one copy.

As for my first reunion with the 306th it was an emotional experience. Although I felt I had changed more than anyone else over the past 42 years I was recognized by many including my tailgunner on my last mission, May. 20, 1944 and described the buzz job I did at Thurleigh upon return to base. He couldn't forget it.

Thanks again for your courtesy. I look forward to seeing you and the other members of the Group in Dayton. I will get my album together perusal.

Sincerely,

Arthur W. Mack
