In the continuing search for 306th people, please inform the secretary as to any persons you know from the 306th who are not listed in the 1988 directory; consult your WWII address book as to hometowns of anyone not listed in the 1988 directory; inform the secretary as to anyone from the 306th whom you know now to be deceased.

The secretary is constantly seeking copies of orders issued at Thurleigh, either by the 306th Bombardment Group, Station 111, the combat squadrons, or other units assigned there. If you have any such orders, please send copies to the secretary.

If your immediate family or other heirs are not interested in your 306th memorabilia, you may wish to place with such materials directions and an address so that it can be mailed to the secretary. Such materials will be included in the 306th collection that will eventually be placed in the Library of the U. S. Air Force Academy at Colorado Springs, CO.

Dear Ernest:

I was sorry to receive your recent note, and also regret very much that we cannot get a date that is satisfactory. We are often trapped by trying to get our reunion "in" while travel weather remains decent, and at the same time be able to select a date that works with the hotel we will be using.

Hopefully, in the next couple of years we will be able to improve our record a bit. We will be going back to Las Vegas in 1996 and will use a later date to avoid the September heat wave in Southern Nevada.

Be assured that we aren't ignoring you and others, but we do find that the time of year we hold the reunion does pose a real problem for a small, but important, group in our membership.

Thank you for reminding me once again.

Sincerely yours,

Ernest Michel
