'92 Directory Is Coming (from page 1)

pounded by the explosion of FAX machines and other devices demanding many more phone numbers in metropolitan areas.

So, both of these essential services have been playing "upset the fruit basket," and it raises hob with everyone, especially mailers and list keepers.

New Directory Due

Our 1992 directory should come out in May, and we need your help!

The Postal Service has been good about sending us changed numbers, but we need more data from many of you.

We also need to have you check your listing in the 1990 directory and to let the editor know what you need changed.

If we don't hear from you we must assume that the data we have is correct as far as your directory entry is concerned.

Check the form below:

Name JERRY M. MYERS

Address NO. 2 SUMMIT COURT

City, State and Zip Code FENTON, MO. 63026

Telephone #, with the correct area code (314) 343-6640

Can you give us the four-number addition to your zip code? (Look on one of your utility bills for this, if you can't remember it). 3843

On that street address, please designate whether it is St., Ave., Blvd., Road, etc. Rural routes AND box numbers need to be spelled out. In the alpha listing of the Directory, be sure your unit designation is correct. That's the one that counts. (If you were placed in the wrong listing under organizations, don't worry about it. We plan to get it right this time.)

Other data we will store away for possible later use:
