

JUNE 21, 1948

Dear Sir:

Thank you for the copy
of the 306th Bomb Group Directory
and the quarterly paper.

I hope my enclosed check
is adequate to defray the
costs.

Background info.

I flew my tour with the
306 BG 42370 Sqdn in 1944.
A member of Earl Keshings
crew. Further, made a
career of the military returning

in 1969.

Although present plans
are not firm it appears
that I'll be unable to
make the Las Vegas reunion
but certainly hope to make
a future one.

Thank you again.
