Dear Mr. Strong,

A short article in the Blair, Nebraska paper attracted the attention of a friend of my sister. My sister, Mrs. Leonard Nelson lives on the west edge of Omaha; she forwarded the newspaper clipping to me.

I have been living in Yakima, Washington since March of 1950 and enjoy the city and area very much. I'm married, and have three daughters. Commercial printing is my field and I have handled a number of books similar to the one you are working on.

Best of luck.

Sincerely,

A handwritten signature in blue ink that reads "Berkley B. Peterson". The signature is written in a cursive style with a large initial "B".
