

Dale Prisco
306 Bomb Group Assoc
Boerne, TX

Dear Dale: Enclosed is my
check to cover cost of publications
and your activities. Do enjoy
the 306th publication even tho
I am not active with the group.
I flew 35 missions over Europe
in 1943 and 17's as a bombardier.

Keep up the good work
by maintaining the groups identity.
Our officer group of Rudy, Joe
Dan and I hope to make one
of the conventions again soon. Why
don't you have it at Post at
Experimental Center before or after
their convention of these days

When next to $\frac{1}{2}$ million participate.

Sincerely
John Folck
