Dear Dale Briscoe,

Enclosed is my check to help defray expenses of publishing the 306th Bomb Group Directory.

My husband, Louis, passed away last November, but I would like to continue receiving the Directory, if possible, and also the 306th Echoes. I have not, as yet, received the January "Echoes", in which my husband's death was recorded.

At the Las Vegas reunion, Lou was so happy to meet again with Aram Nahabedian, after forty seven years. The July Echoe brought the sad news of Aram's fatal heart attack. At that time we hoped Lou was winning his

battle with pancreatic cancer, but  
all the radiation and chemo was  
to no avail.

Thank you for anything you can  
do that I may continue receiving  
the Echo and Directory.

Sincerely,  
Marion Protopop
