Dear Russell

I plan on attending the 306 B.S. Reunion at Seattle, Wash. I filled out the form indicating the activities I intend to participate with my wife during the reunion, however I didn't send a check at the time - it did not indicate to do so. I have also found your number in Charlotte N. C. and left a message on your answering machine. Could you please inform me on how I can complete our plans to attend the reunion.

have received a confirmation.

Dear Sir

Since then I have changed the spelling  
of my last name from Vale - To  
just Val.

my serial # was 11138286

I'm not sure of the spelling of Mission  
Target.

I was with the 367<sup>th</sup> Bomb sqd.

Thank you

P.S. I did receive a Plastic caterpillar card  
at the time, and I still have it.
