Mr. Briscoe,

Sorry this is late in arriving - I know my husband would have wanted me to do this. My husband passed away July 1987.

We always enjoyed the 306th Echoes and I found the directory very helpful.

In 1979 we went to England and visited Thurleigh.

I wish you and all the devoted members who publish the 306th Echoes the very best.

Sincerely,
Marion L. E. Wiersma
