REGISTRATION:1. MOVES IN THE ICSP CENTER:

Today, Wed, 27 Jun/45 - "32. HANK", Erroll Flynn, Brenda Marshall.
Tomorrow, Thurs, 28 Jun/45 - "GITS: WILBERT", Marie Montez, Jan Hall.

SUGGESTION BOX:

SUGGESTION: "Suggest that arrangements be made so we can take our bicycles with us when we move to the Continent - Both RAF and privately owned ones. We should retain the RAF ones on the lend-lease rule that they are unserviceable."

ANSWER: Arrangements are being made to get all bicycles taken along to the Continent. The manner in which they are to be transported will have to be worked out. Further information will be published as soon as more definite plans are made.
