SUGGESTION BOX

SUGGESTION: "Sir, when do those with Spec No. 945 get in on this going home deal? There's been quite a number of new men come in. Will there be a chance of some of the old men who have a hundred or more points to be put on the list

(over)

for going home anytime soon? We would like to know what the score is on this?

S/Sgt Milburn C. Hynes, 18102007,
369th Bombardment Squadron.

ANSWER: Men who have come in are not replacements and neither have they been permanently assigned to your organizations. These men are here on temporary duty for training and also assistance in performing our present mission, after which they will be returned to their original organizations.

To find the score, refer to paragraphs 4 and 5 of letter from Station Redeployment Officer, dated 10 June 1945, subject, "A Brief Summary of Some Parts of WD Readjustment Regulations as They Interest All Personnel", posted on all bulletin boards.

It is a sincere hope that high point except those frozen by higher authority will be replaced, but this is only a hope, not a known fact.
