SUGGESTION BOX:

SUGGESTION: "The Sunday chicken is good but the pin feathers taste like hell."
ANSWER: The chickens are received late on Friday and require at least forty-eight hours soaking in cold water, before they can be cut up and cooked and it is impossible to remove anymore of the pin feathers when they are received

SUGGESTION BOX (continued)

frozen. Chickens cannot be thawed out in hot water, because hot water will stimulate bacterial growth.

SUGGESTION: "First call (0550) - OK. Revolve (0559) - still OK, but why oh why do you have to play those scratchy records right through the intervening 9 minutes?" A sleep loser.

ANSWER: To wake you up!

SUGGESTION: "When in theater, it is suggested that if you don't like the picture quietly leave. Your criticisms and wise cracks often interfere with the enjoyment of the fellow sitting next to you. Different people have different taste. Even if you don't enjoy the picture, the G.I. Joe sitting next to you may and you will be spoiling his evening by your comments."

ANSWER: SB publishes this for "when it may concern".

SUGGESTION: "Never in history has so many waited so long for so little."

ANSWER: Are you referring to the mess hall?
