SUGGESTION BOX:

SUGGESTION: "How about announcing what the hell is going to happen to this Group, or is it a military secret.....It seems everyone else in the 1st Air Division knows what is going on except us....."

ANSWER: Maybe it is a military secret! Can't you get along on rumors until something is out officially. When it does come out it will probably be classified "secret", and you still won't know. Troop movements, you know!
