SUGGESTION BOX

Suggestion: "Fry the pork well, not just heat it up."  
"Fry the fish well. It's good when done right, otherwise, Phooey!"

Answer: "Fish and pork are fried by trained and experienced cooks, to suit the taste of the majority, it is impossible to cook to the individual taste of twenty-five hundred (2500) men. Recent acquisition of locally-made griddles have improved the situation for all frying."
