3. FAREWELL MESSAGE: The following teletype was received from 40th Combat Bomb Wing:

This is to say an official goodbye to two of the oldest heavy bomb groups in the Eighth Air Force, now passing from our control. So ends the combat activity of this oldest of combat wings in the First Air Division. We have shared many occasions together and have spent a long time in helping to write the bright pages that are the history of heavy bombardment in the Eighth Air Force. In our close association as units of the 40th Combat Bomb Wing, over three hundred daylight bombing missions have been run over enemy occupied territory. The 305th and 306th Bomb Groups played major roles in practically every one of these operations. Without your excellent

performances, flying, and bombing, our record would not be nearly as good as it has been.

Many thanks for your cooperation in helping write our unit history. I hope that you will continue your good work in your new assignment.

-----SUGGESTION BOX-----

4. UNIT SUBSCRIPTIONS TO STARS & STRIPES:
Money for unit subscriptions to Stars & Stripes and Train will be turned in to Special Service Office located in Post Gymnasium by 1600 hrs, Fri 1 Jun 44

SUGGESTION BOX:

SUGGESTION: "Suggest that the Group Co write a letter through channels requesting that the accumulated leave time for enlisted-men be paid upon discharge, similar to the plan now in effect for Officers."

REPLY: (22.....)
There is no such thing as accumulated leave for E1 and officers can only accumulate for 4 years. If you still want a letter written, SB suggests you write it yourself - you have the right, you know. (22, the CO says he agrees with SB's suggestion).
