2. NOTICE: Following letter from Hq USFET, Subj: "Security of Classified Information", dd 8 Sep 45, is quoted for info and strict compliance of all personnel:

1. Instances of unauthorized divulgence of classified information have recently occurred. These incidents have created unwarranted difficulties and undesirable situations. They indicate the need for positive reaffirmation of the provisions of AR 300-5 (Safeguarding Military Information).

2. In view of the proposed relaxation of provisions of military censorship regulations, it is vital that commanders bring to the immediate attention of all their units and agencies, the basic regulation which prohibits, and will continue to prohibit, divulging of classified information to persons other than whose official duties require such information. This prohibition applies equally to divulging classified information to members of the press." BY COMMAND OF GENERAL DISFORD.

3. LOST: A pair of rimless glasses in plain black case. Finder please return same to Sgt Major's office.

SUGGESTION BOX:

SUGGESTION: "Suggest that personnel having recently been on trip to Gibraltar be excluded from trips until others on waiting list have been able to go. Reference Special Order No. and Special Order No."

ANSWER: This is an excellent suggestion and G-2 has been informed that it will be complied with. No person is entitled to more than one of those trips except on duty and it was an oversight that the person referred to went more than once.
