1810

Crash crew, ambulance + Flares
released

1830

Beacon crew checked in.

1830

Cpl. Sales reported that Sgt. Robertson's face
was burned when kerosene can exploded
in caravan. Sgt. Robertson went to hospital.
Called hospital to find out amount of injury.
I was told Sgt. Robertson confined to quarters
tonight and to report to hospital again in
the morning. Hospital to call us in the
morning.

1900

Sgt. Robertson called says face is just
scorched and caravan is O.K. Tried to
get into caravan but it was locked

2005

Made routine inspection of airfield
lighting.
